Dear Joe:

I enclose a proposal for an extension of our present program to cover nine calendar months at a cost of \$31,321. Please let me know if you desire any modification of this proposal. As of November 26, 1955 the total funds expended on the project was \$20,756, leaving a balance of \$5330, which at our present rate of expenditure would last approximately two months.

We feel that we are making significant progress in this problem and that the line of work outlined in the proposal should bring us fairly rapidly to a real understanding of the mechanism in a very practical sense.

We look forward with interest to working with you on the continuation of this highly interesting problem.

Sincerely yours,

50X1

Encl.
